

[5] Ash x Ewa [EN]

E: Hey. Got anything that.. rolls?

A: Hey. You look like you just survived a zombie apocalypse. Or a double shift.

E: Double shift. At the factory. And then forty minutes of pure hell in a sweaty, packed bus. I need a way to get to work and back. Faster, and for free.

A: Totally get it. Public transit is the best bike salesman.

[PLAYER CHOICES]

[Option A]: Ask about preferences (suspension, gears, brakes)

[Option B]: Skip details and ask about budget directly

- -- If A ---

A: Any preferences? Front suspension, gear count, fancy brakes?

E: I don't give a damn. It just needs to roll and not fall apart too quickly. But I'm scraping the bottom of the barrel at this point in terms of cash...

- -- If B ---

A: Got it. Budget's tight?

E: I don't give a damn. It just needs to roll and not fall apart too quickly. But I'm scraping the bottom of the barrel at this point in terms of cash...

A: Oof. I'll see what I can scrape together from the budget bin.

Ewa sits in the corner, staring blankly at her phone

A: Alright, here's your dream wheels. As basic and indestructible as it gets for this price.

E: *walks over, inspects the bike* Looks rough. But it has two wheels and pedals. I'll take it. Thanks for helping me out.

A: Safe travels. And seriously, go get some sleep!

E: Hope I will :)
